January 30, 2019

Dear Parents,

As you are aware Winter is here and students are wearing coats, jackets, gloves, scarfs, hats, hoodies and other layers to school. We are asking that students take off all of these layers and lock them in their homeroom lockers in the morning and pick them up during PM homeroom. There is no need for students to wear all of these layers during the day. They are distractions in the classroom and many students are storing food and other items in their pockets and eating the food and candy in classrooms. This causes a major distraction for the classroom teacher and is also a part of the vermin issues we are having. Food and candy need to be eaten only in the cafeteria not in classrooms and hallways. We will be strictly enforcing this policy and need your cooperation. Please speak to your child and make sure that they are following the policy. In addition students are misplacing the items and losing them all over the building our lost and found box is overflowing with outer wear. This can be avoided by following our policy and placing them in the lockers for safe keeping. If you have any questions please contact me at 718-274-8316

Sincerely,

Alexander Angueira
Principal
